PROJECTS

Maze Solver

- Developed an interactive maze-solving application with dynamic maze generation, weighted pathfinding using Dijkstra's algorithm, and real-time graphics and audio.
- Implemented player movement, path cost calculation, and shortest path visualization with smooth rendering and animations.

Recommendation System For E-commerce

- Built a web-based product recommendation engine using TF-IDF vectorization and cosine similarity for content-based filtering.
- Integrated dynamic trending products, price simulation, and image rendering with Flask for an interactive UI.

URL Shortener

- Developed a user-friendly URL shortening website with Django and HTML, converting lengthy URLs into unique, concise codes.
- Improved online sharing by simplifying links, ensuring better accessibility, and optimizing the sharing process for users.

Hate Speech Detection

- Developed a Hate Speech Detection web application using Python, Flask, Scikit-learn, and NLTK to classify text into hate, offensive, and non-offensive categories.
- Built and integrated a machine learning model with text preprocessing and a Flask interface for real-time hate speech prediction.

TECHNICAL SKILLS

- **Programming Languages :** C, C++, Java, Javascript, HTML, CSS, SQL.
- **Software and Tools :** Git, GitHub , Android Studio, VS Code.

ACADEMIC ACHIEVEMENTS

- **Tech Wizards :** Awarded a certificate for active participation in the Tech Wizards competition, showcasing proficiency and enthusiasm in the field of technology.
- **Coding Ninjas :** Received a certificate of participation in the Code Conquerors Challenge organized by GEU ACM in collaboration with Coding Ninjas, highlighting my dedication to coding excellence.
- **Research Methodology (NPTEL) :** Awarded a certificate for successful completion of an 8-week online course on Research Methodology conducted by IIT Madras (Jan-Mar 2025).

POSITIONS OF RESPONSIBILITY

- **Class Representative :** Served as class representative, ensuring student voices were heard and needs addressed.
